0730

Geop

checked the station -  
took readings -  
mapped the control room  
floors - pads - furniture +  
Equip  
changed the  $C_2$  water tanks.

1986 64th day - 301 days follow

0725

Frank + George

checked the station -  
 Wet well was holed out.  
 Short pumping let holed down  
 of dirt + leaves -  
 Swapped pump leads from 1-3  
 to 2-1-3  
 Pump when it came on lines  
 had a growl to it - couldn't  
 determine exactly where the  
 noise was coming from because it  
 went away - noise was from the  
 motor or clutch area through. Ran  
 RSP #2 to 100% and put the  
 unit back into auto - left it in  
 Will monitor.  
 Holed the dry well.  
 Swapped 2 pump leads.

KCSlip4 65918

SEA434009

Other fine Standard Diary products for home, attache case, pocket or office

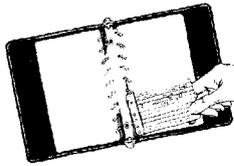

**Word Library Trio**  
Stock Number 058

Puts three volumes of frequently needed reference material at your fingertips: Dictionary, English Usage, and Spelling & Word Division. Compact desk caddy provides a compartment for pens, pencils and note paper. Perfect at home for students or in the office for quick reference.

**Loose Leaf Telephone & Address Books**

Stock Number 512, 8" x 3 1/2"  
Stock Number 512, 8 1/2" x 5 1/2"  
Attractive vinyl books in a loose leaf format that facilitates the addition or deletion of extra pages. Stock number 512 comes in black, light blue, brown or red with 60 sheets and 25-division A-Z tab index. Stock number 512 is available in blue, brown and maroon with 32 sheets.

**Pocket-Ref<sup>®</sup> Telephone & Address Books**

Stock Number 0287-02A  
As versatile a telephone and address system as has ever been devised. Entries are made one to a sheet, and sheets are overlapped so main entry of each sheet is visible. Sheets are easily added, changed or deleted, avoiding scratched-out or squeezed-in entries. Available in black or blue.

Ask your office products dealer for more details on these Standard Diary items and other fine products from Wilson Jones to make your record keeping easier.
